**Re: In the Matter of the Civil Commitment of:
Charles Helmer; Court File No.: 19HA-PR-20-939**

Dear Judge Wermager:

I have reviewed your Findings of Fact, Conclusions of Law, and Order for Continued Commitment dated June 9, 2021, and I note two (2) errors in that Order, to wit;

- The parties agreed that the Order for Continued Commitment would be for a period of six months, not twelve months;
- There is no reference to the agreement of the parties that the Order authorizing administration of electroconvulsive therapy would be dismissed and, in the event that Petitioner felt that additional ECT would be appropriate, the county attorney would file a new petition.

It would be appreciated if the Court would issue Amended Findings of Fact, Conclusion of Law, and Order for Continued Commitment addressing these two items.

Thank you for your consideration of this matter.

Yours very truly,
